

Follow the below given writing rules for the fulltext:

1. Papers have to be submitted as MS Word document in the form of A4 with Arial fonts having single line spacing.
2. The title of the paper shall be written with capital letters and 14 fonts, and should not exceed 2 lines.
3. Below the title, please indicate the names of the authors separated with comas and underline the name to do the presentation. Initial of the first name and full surname will be indicated with capital letters and 10 fonts.
4. Below the author names, please indicate only the company/department/university/institute of the authors with 8 fonts.
5. Abstract will be written with 9 fonts with single line spacing, and should be max. 350 words.
6. Please indicate max. 5 keywords with 8 font and italic letters avoiding general terms.
7. The paper shall be divided into clearly defined and numbered sections. Subsections should be numbered 1.1 (then 1.1.1, 1.2,..). The abstract shall not be included in section numbering and the paper shall be written with 11 fonts (9 font for the abstract and 8 font for keywords).
8. Please set the margins as: left=2.5, right=2.5, top=2.5, bottom=2.5.
9. Figure and Table captions and titles shall be given with 9 font letters in the center of the page.
10. References shall be given with 8 font letters according to sample extended abstract.
