

Extended abstracts must be submitted in English.

Follow the below given writing rules for the extended abstract:

1. Extended abstract has to be submitted as MS Word document in the form of A4 (max. two pages) with Arial fonts having single line spacing.
2. The title of the paper should not exceed two lines and shall be written with capital letters and 11 fonts.
3. Below the title, DO NOT indicate the names or institutions of the authors because blind review will be performed. A title page will automatically be generated by the system as you enter related info about the authors on the submission screen.
4. Please do not write the names or do not indicate any details of the presenter or the corresponding author. This information will be indicated on the title page, which will be generated by the system.
5. Abstract of the extended abstract will be written with 9 font and italic letters. Max. 150 words should be used in abstract.
6. Please indicate max. 5 keywords with 9 font, italic and lower letters, avoid general terms.
7. Divide your paper into clearly defined and numbered sections. Subsections should be numbered 1.1 (then 1.1.1, 1.2,..). The abstract is not included in section numbering. Use 10 fonts for the paper (except abstract).
8. Please set the margins as: left=2.5, right=2.5, top=2.5, bottom=2.5
9. Figure and Table captions and titles shall be given with 8 font letters.
10. References shall be given with 8 font letters according to sample extended abstract.
